

Scholar's Bowl

CLUB DESCRIPTION

Scholars Bowl is a competitive opportunity to expand on a student's academic knowledge with other intelligent students. Students grow in memory skills and speed of recall. Team members practice weekly or more often to accumulate and use a wide variety of information, mathematics, science, literature, and historical knowledge. In the fall, Scholar Bowl competes in the Northeast Tennessee PBS Scholars Bowl, a televised program shown throughout the year on our local PBS television station. Anyone can join and can start at any time in their high school career.

ESTIMATED # OF MEMBERS

17
